Research Assistant Position in Energy Market Design

(75% TV-L E13)

The Group of Industrial Organization and Energy Markets at FAU Erlangen-Nuremberg offers a Research Assistant position as of September 1, 2014 (or later).

The Group focuses on research in industrial organization as well as energy economics. Prof. Zöttl is member of various research projects in the area of energy market design such as the emerging field project “Energy Transport and Storage Systems” at FAU Erlangen-Nuremberg. Doctoral and post-doctoral researchers are encouraged to work in the abovementioned fields. We offer intensive supervision within a large and interactive team, challenging research projects as well as the opportunity to participate in the Bavarian Graduate Program “Evidence Based Economics” (for PhD students).

Applicants should have a qualified degree in economics or a comparable subject with fundamental knowledge in microeconomics (especially applied game theory and industrial economics). The ideal candidate has experience in theoretical or empirical research and should have a strong quantitative background. Fluent English skills are required, German would be an asset.

Fields of responsibility may include participation in ongoing research and teaching, as well as participation in activities of one of the group’s projects with practice partners.

Salary corresponds to the German pay scale and depends on qualification (TV-L E13). The position can be filled immediately. The appointment is initially limited for a period of three years and can be extended for up to additional two years.

Women are strongly encouraged to apply. Severely disabled applicants will be preferred when equally qualified.

For further information please contact Christian Sölch (christian.soelch@fau.de) or Prof. Dr. Gregor Zöttl (gregor.zoettl@fau.de). Please submit your electronic application as a **single** pdf file including the typical materials (vita and diplomas) as well as at least two references (either the contact or a reference letter) no later than **June 15, 2014** to christian.soelch@fau.de. Please refer to “**Research Assistant Position in Energy Market Design**” in the reference line of the email.
